

PlanetMark
Certified Business

We are Planet Mark Certified

Year 5.

DOC CLEANING

This is to certify that DOC Cleaning has achieved the Planet Mark by reporting a reduction in its carbon footprint using the emissions banking approach and engaging its stakeholders.

Valid to: 30 June 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
